Balance Sheet & Capital

Total secured debt outstanding: \$210M (mortgage / facility balances).

Weighted average cost of debt: 5.4%.

Headcount: 86 FTEs across asset management and corporate.

Debt figures above are capital structure items, not recurring revenue metrics. Do not map debt balances to ARR.

Operating Commentary

Leasing velocity improved in two light-industrial parks. Multifamily renewals held at 58% with moderate rent bumps. Capex for Q1 totaled \$4.2M, primarily unit turns and lobby upgrades.

Risks & Follow-up

- Interest-rate resets on two maturities in H2 2026.
- Follow-up: provide rent-roll aging appendix with the May ops update.
